Aircraft Bombs

Manufactured by.....

GENERAL DYNAMICS
Ordnance and Tactical Systems

Blue Aerospace is pleased to offer various types of aircraft bombs, manufactured by General Dynamics Ordnance and Tactical Systems.

General Dynamics OTS is the sole manufacturer of steel forged MK80 Series bomb bodies within the National Technology and Industrial Base which conform to the US DOD Technical Package.

Blue Aerospace is a Lockheed Martin Aero authorized distributor for both F-16 and P-3C, offering a wide range of OEM products and logistics support services to operators and MRO centers worldwide.

Please contact us at info@blueaero.com for more information.
